We specialize in providing high-quality laboratory glassware, consumables, and equipment to meet the needs of all types of laboratories. Our products are carefully selected to ensure the best performance and accuracy in laboratory experiments and research. With our extensive range of products, we cater to the diverse needs of various industries such as Healthcare, Pharmaceuticals, Biotechnology, Environmental, Food Testing Laboratories, Oil and Gas, Research and Development, and Academic Institutions.

Laboratory Furnitures

We specialize in supplying high-quality laboratory furniture tailored to the unique needs of research facilities, educational institutions, industrial labs, and healthcare settings.

Laboratory Working
Tables

Laminar Air Flow -
Horizontal/Vertical

Laboratory
Stool/Chair

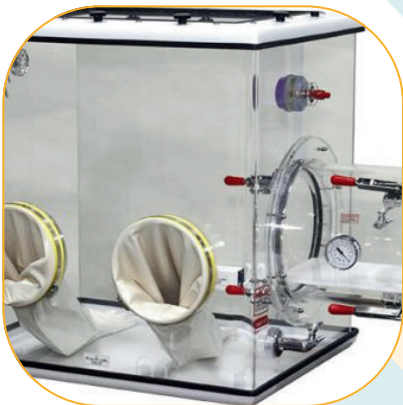

Laboratory
Eyewash/Shower

Laboratory
Refrigerator/Freezer

Laboratory Cart

Glove Box

Laboratory Sink
Unit

Laboratory Storage
Cabinet

Laboratory Glassware

Laboratory glassware includes a diverse array of specialized equipment utilized for scientific experiments, measurements, and analyses across disciplines like chemistry, biology, physics, and environmental science. The glassware is crafted from Borosilicate Glass 3.3, known for its exceptional chemical resistance.

General Glassware

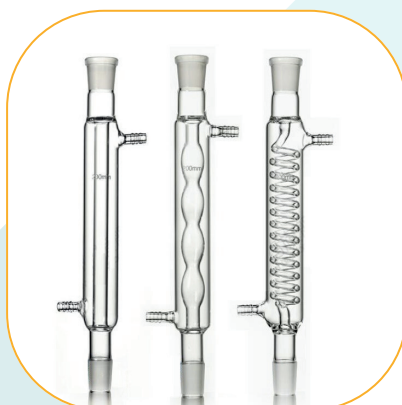

Volumetric Glassware

Laboratory Glass Adaptors

Chromatography Columns

Laboratory Glass Condensers

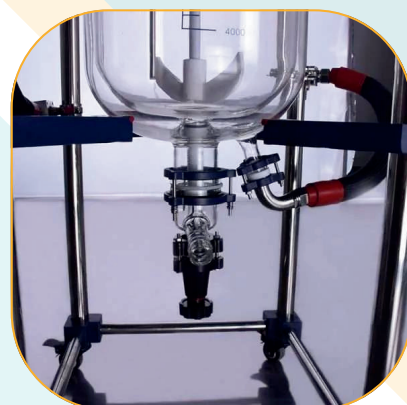

Glass Distillation Apparatus

Filtration Assembly

Customized Glassware

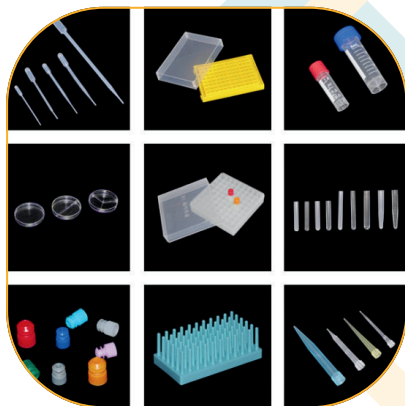

Industrial Glassware Setup

Laboratory Consumables

Laboratory Consumables such as Plasticware, Silica crucibles, Porcelienware, Rubberware, Metalware, HPLC, GC, LC Spareparts

Lab Plastic Consumables

Laboratory Plastic Disposables

Laboratory Rubberware

Laboratory Porcelainware

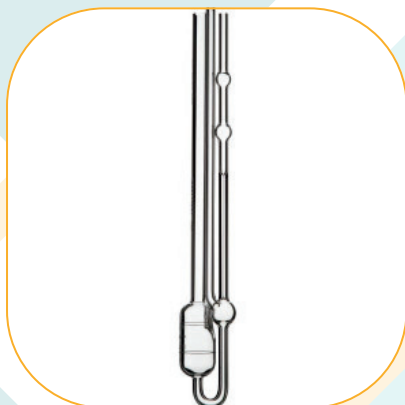

Laboratory Silicaware

Laboratory Metalware

HPLC, GC, LC - Spare Parts

Viscometer and Accessories

ASTM Glassware and Spare Parts

Laboratory Instruments

We specialize in Supplying Laboratory Instruments such as Hot Plate, Stirrer, Analytical Balances, Water baths, Vacuum Pump, Oven, Incubators, Microscopes, Furnaces, Oil and Gas Instruments and Etc

Microscopes

Micropipettes

Bottle Top
Dispensers

karl fisher titrator

Laboratory
Incubators

Laboratory Oven

Laboratory Hot
Plates

Hot Plate with
Stirrers

Laboratory Muffle
Furnaces

Medical Disposables

With a commitment to excellence and customer satisfaction, we offer a comprehensive range of disposable medical products designed to meet the diverse needs of healthcare professionals and patients.

**Infusion Therapy
Disposables**

**Transfusion
Therapy Disposables**

**Gastroenterology
Disposables**

**Urology & Nephrology
Disposables**

**Anesthesia &
Respiratory Disposables**

Surgical Disposables

**Patient
Identification
Wristbands**

**Electro Surgical
Pencil**

**Surgeon & Patient
Gown**

Medical Instruments and Furniture

We offer a wide variety of orthopaedic implants, instruments, and general medical equipment.

**Arthroplasty
Implants**

**Orthopedic
Consumables**

**Cold Chain
Equipment**

**Diagnostics
Instruments**

**Stainless Steel Safety
Lockers**

Hospital Furnitures

**Baby Care
Equipments**

**Autoclave and
Sterlizers**

**Blood Bank
Equipments**

Mechanical, Civil, Physics Lab

We offer a wide variety of orthopaedic implants, instruments, and general medical equipment.

Engineering Design
Lab Equipments

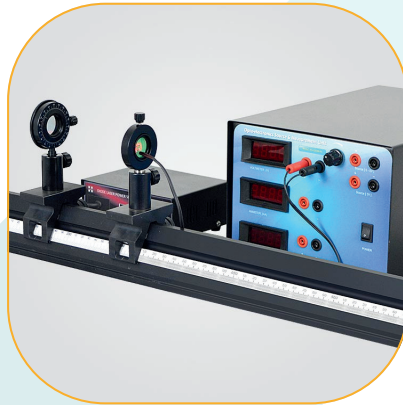

Motorised
Gyroscope

Thermodynamics Lab
Equipment

CIVIL Lab Equipments

Optoelectronic
Apparatus

Physics Labs
Apparatus

Quality Assurance:

We ensure that all supplied consumables and equipment meet industry standards for quality, safety, and performance. Conduct regular inspections, testing, and calibration to maintain high standards of reliability and accuracy.

Customer Support:

Focus on your satisfaction by providing responsive customer support, handling inquiries and concerns promptly, and maintaining open communication channels with customers to address your needs effectively.
